

MAKE YOURS THE SMART MONEY

Two of Australia's leading independent experts talk about smart ways to manage money when you're heading towards retirement (or already there)

You are invited to join us for a seminar and lunch on
Tuesday 11 November 12.30 – 2.30 pm
AMP Auditorium, 750 Collins Street Melbourne
Registration and light lunch from 12.30pm; seminar commences at 1pm.

Paul Clitheroe AM, is a leading commentator on financial matters and best-selling author. He presents Talking Money, a national radio program, and is a former host of Ch 9's Money Program. Paul is Chairman of the Government's Financial Literacy Board, whose vision is to further the financial skills of all Australians and non-executive director of ipac securities. He is patron of the Future2 Foundation.

Peter Bobbin is Australia's leading succession lawyer and head of personal legal services at Rockwell Olivier, Sydney. Peter is an expert in taxation, superannuation, risk insurance and estate planning, and a much-in demand speaker. He is a founding trustee of Future2 and about to ride his 5th Future2 Wheel Classic, a long distance cycling fundraiser from Melbourne to Adelaide, 13-19 November.

Your ticket price (\$18) is a donation to Future2, the charitable foundation of the Financial Planning Association. Through grants to community not-for-profits, Future2 helps turn the lives of disadvantaged young Australians from adversity to opportunity.

The seminar is brought to you by the Melbourne Chapter of the Financial Planning Association in association with Future2.

We thank AMP and ipac securities for their generous support in providing the venue and lunch respectively.
